

For Immediate Release:

Brilia FM, Nigeria Chooses CharterOak for Broadcast

ENFIELD, CT – (October 26, 2007) - CharterOak Acoustic Devices, makers of hi-quality, hand assembled, recording products is excited to announce the CharterOak E700 Solid State is the microphone of choice for Brilia FM, Nigeria.

This CharterOak milestone marks the first product placement in Nigeria and Brila Group, with stations in Lagos and Abuja, becomes another of a growing number of broadcast companies that have chosen the E700. The E700 works very well in both on-air broadcast, and studio production situations. Its 1.22" capsule, pure Class-A electronics, and solid build quality result in an extremely robust sound and low noise floor. "We went for the CharterOak mics *[pictured here with on air talent Joe Hansen]* because we have all along wanted a solid state mic as it is the future of microphones and coming with a lifetime warranty makes it superbly attractive!", comments Brila FM Founder, Larry Izamoje.

88.9 Brila FM, an off shoot of Brila Broadcasting Services hit the air waves in Lagos in 2002 and opened its second station at Mpape Hill Abuja in 2007. Since inception, Nigeria's first all sports Radio station has taken sports broadcasting to greater heights and has become the most reliable source of information for lovers and administrators of sports.
