

For Immediate Release:

CharterOak Acoustic Devices Announces Expansion in Distribution For Europe, Southeast Asia, Middle East and Canada.

ENFIELD, CT – (March 10, 2008) - CharterOak Acoustic Devices announced seven new distribution partnerships formed late in 2007. The entire line of high quality, hand assembled microphones, pop filters and headphones are now available in Southeast Asia, Middle East, and Canada as well as extended coverage in Europe.

The new partnerships include JRF Audio (Canada), Kinovox (Denmark), Professional Media Solutions (Germany), Athens Pro Audio (Greece), Audistro (Switzerland), Absolute BT (Hungary), Bialik Music (Israel) TechScope (Egypt) and ProActiv Systems (Singapore).

Growth in 2007 can be attributed to exhibiting at Tokyo INTERBee, Palm Asia (Singapore), KOBA Korea and Vienna AES. "We found that a lot of audio professionals heard of our brand and read the reviews but had no local retailer to audition them," states CharterOak VP of Marketing. CharterOak is excited to provide audio products in these markets and expects sales to double in the coming year. In just three short years, CharterOak has built and shipped over 1000 hand-assembled microphones, quickly transitioning from a boutique company with one product to a worldwide brand.

CharterOak has remained dedicated to providing outstanding sound, build quality, and unmatched customer service and technical support. The company's founder, a recording engineer and producer with 20 years experience, maintains his vision to provide the level of quality and service that he always wanted to receive as an end user. From this vision, CharterOak developed **Adapt(SM)** – *Create Your Own Classic* microphone customization service, Tips & Tricks posted online, 7-day phone and web support to assist in matching the correct microphone with the correct application and a Lifetime Guarantee against manufacturing defects on all CharterOak products.
