

**For Immediate Release:**

## **CharterOak Acoustic Devices Appoints Ansata Computer Systems in India**

**ENFIELD, CT – (Feb 24, 2009)** - CharterOak Acoustic Devices announced the appointment of Ansata Computer Systems Pvt. Ltd the exclusive distributor of CharterOak products in India.

"We are very delighted to partner with CharterOak in becoming the sole distributors of their products in India. What we are most excited about is the company's commitment to quality and highest customer satisfaction. The superior design, promise of lifetime warranty and affordability of the product is the combination the Indian market requires, and we look forward to working closely with CharterOak to fulfill this need." comments Leslie Lean, Managing Director, Ansata.

"Working with Ansata means that audio engineers throughout India will be able to enjoy the superb sound quality and customer service that comes with every CharterOak product. India is a very important market for us in the global picture, and we feel that Ansata is best positioned to provide our products to Indian studios and broadcast companies."

CharterOak has remained dedicated to providing outstanding sound, build quality, and unmatched customer service and technical support. The company's founder, a recording engineer and producer with 20 years experience, maintains his vision to provide the level of quality and service that he always wanted to receive as an end user. From this vision, CharterOak developed **Adapt(SM)** – *Create Your Own Classic* microphone customization service, Tips & Tricks posted online, 7-day phone and web support to assist in matching the correct microphone with the correct application and a Lifetime Guarantee against manufacturing defects on all CharterOak products.
