CharterOak Acoustic Devices Releases Small Studio Collection

ENFIELD, CT – (May 9, 2008) - CharterOak Acoustic Devices, manufactures of hand assembled pro audio equipment announces the release of the Small Studio Collection (CharterOak SCC). The collection will be on display at the AES Show in Amsterdam later this month.

The CharterOak Small Studio Collection is the total microphone solution for small recording studios with a tight budget. Consisting of a critic's favorite, the SA538 Large Diaphragm Condenser, the E700 Solid State condenser and a sequentially numbered matched pair of M900s. Start up and well established studios will benefit from this full spectrum selection of microphones and will be able to tackle any recording situation from vocals to orchestra to loud electric guitars.

The collection is delivered in a solid locking flight case with all of the necessary accessories and CharterOak's Lifetime Warranty. The Collection will begin shipping through available Authorized CharterOak Dealers in June for around \$3300.

CharterOak has remained dedicated to providing outstanding sound, build quality, and unmatched customer service and technical support. The company's founder, a recording engineer and producer with 20 years experience, maintains his vision to provide the level of quality and service that he always wanted to receive as an end user. From this vision, CharterOak developed **Adapt(SM)** – *Create Your Own Classic* microphone customization service, Tips & Tricks posted online, 7-day phone and web support to assist in matching the correct microphone with the correct application and a Lifetime Guarantee against manufacturing defects on all CharterOak products.
